

## FOREWORD

Writing a children's book is something I've dreamed of since my own school days. Since it is becoming more difficult in our world to access clean water, I felt it was time that I made that dream a reality – for myself, for my darlings, Sue and Wolf, and for anyone who wants to know more about that intriguing substance, water. I would very much like to thank our publisher, Sofie Van Sande of Uitgeverij Lannoo, for making this book possible, as well as Marijke Huysmans and Wendy Panders for cowriting and illustrating it. I hope you will find what you're looking for here, and I hope it will inspire you to dive even deeper into the wondrous world of water!
